

# **YASS VALLEY**

## **DAY SPA**

### **Dermalux LED**

All treatments involve a mandatory consultation prior to arrival for your appointment, which allows for any tailoring required to your treatment as well as any health or physical restrictions that may affect you receiving your treatment. The booking system will advise if the treatment is suitable to pregnant clients and those in a wheelchair.

#### **Contraindications for an LED treatment:**

- Pregnancy
- Epilepsy
- Photoallergy or medications that can cause light sensitivity

#### **How do I prepare for the treatment?**

There is no preparation required for this treatment. A gentle cleanse will remove oil, dirt and makeup and prepare your skin for the treatment.

#### **What do I need to do after my treatment?**

- Exercise and excessive sweating is not recommended for 24 hours
- Hot spas, pools and saunas are not recommended for 24 hours
- No active ingredients to be used for 72 hours
- SPF will be applied directly after your treatment & is always recommended as a non-negotiable skin care step

#### **Still have questions?**

Please call or email us further to discuss.
